RE: Sexual Harassment

Dear Chief Ball:

In accordance with Section 943.1395, F.S., there may be a basis for disciplinary action against the above-named officer in regards to the referenced misconduct. Please forward a complete record copy of all documentation related to this matter. Such documentation should include copies of all investigative reports, transcribed statements, and the officer's current home address and telephone number. Additionally, we would appreciate an indication if the victim(s) would be willing to cooperate with the Criminal Justice Standards and Training Commission if the disciplinary case progresses to a formal hearing.

Once this information is received, it will be reviewed to determine whether or not a basis exists for pursuit of any disciplinary action by the Criminal Justice Standards and Training Commission. Should we find no basis for that action, please be assured that the individual's record will reflect that determination.

Should you have any questions, please contact Allan Spradley, Case Specialist in the Bureau of Standards, at telephone number (850)410-8646.

Thank you for your cooperation and assistance.

Sincerely,

James T. Moore
