SUBJECT: Notice of Probable Cause Determination
RE: David A. Prince; Case No. 18245

Dear Chief Ball:

This is to advise that the above referenced officer has been scheduled for a Probable Cause Determination, before a Panel of the Criminal Justice Standards and Training Commission, for misconduct in violation of Chapter 943.13(7), Florida Statutes.

The proceedings will be held on May 1, 2002, beginning at 8:30 a.m., at the Tampa Marriott Westshore, 1001 North Westshore Boulevard, Tampa, Florida. This case will be presented to the Panel, as a Consent Agenda Item, to issue the officer a **Letter of Acknowledgment**, in recognition of your agency's disciplinary action, coupled with the officer's self-initiated sexual harassment training, meeting the Commission's penalty guideline for the misconduct.

You are invited to attend the Probable Cause Determination and you may address the Panel members, if you wish.

Should you have any questions, please contact Allan Spradley, Case Specialist in the Bureau of Standards, at telephone number (850)410-8646.
